

## FOR SALE

ASKING PRICE: 290.000,- EURO

### HOSPITALITY TRUCK, FACTS

<b>Manufacturer</b>	Bischoff & Scheck, Germany
<b>Year of manufacture</b>	2003
<b>Original price</b>	800.000,- Euro
<b>Owned by</b>	Kawasaki Moto GP Team 2003-2006 Jetalliance Racing Team 2007-2010
<b>Seating capacity</b>	64 pax
<b>Seating capacity terrace</b>	additional 28 pax
<b>Truck length</b>	13.5 m (without tractor unit)
<b>Truck width</b>	2.55 m (approx. 10.7m with awnings)

The ideal hospitality unit for events which can be operated completely independant of catering companies.

### HYDRAULIC LIFTABLE 2. FLOOR

The upper floor consists of three separate rooms which are all air conditioned. A wireless LAN network is built in. A buero equipped with a cabinet, glass desk, couch and a chair is at the far end. A room for engineers features a xerox machine.

### CONFERENCE ROOM

The conference room lies in the middle of the upper floor and is equipped with a large table, 6 leather seats and two cabinets.

### TERRACE

For the 2008 season a wooden terrace has been added. For this reason one of the awnings received a wide opening door.

## FOR SALE

cutlery	●	●
glasses	●	●
tableware	●	●
leather chairs	6	
leather couch	1	
office glas table	1	
xerox machine	1	

#### GENERAL INFO

The main structure of the truck is a rigid alloy framework. The lifting system for the upper floor is hydraulic. The kitchen takes up almost the entire space of the lower floor. Between kitchen and the swan's neck of the truck (storage area, which can only be operated from outside) lies the staircase to the upper deck.

When the upper deck is retracted it is just 5 cm higher than the cabinets (approx. 75 cm). Due to this fact there is almost no storage place in the upper deck (apart from the cabinets).

Consequently a support truck is needed, which carries the supporting structure for the two awnings, the wooden flooring, the chairs, tables, counters, pedestals, lighting and TV screens and further kitchen equipment.

The support truck comes without tractor pulling unit.

The hospitality truck comes with the following tractor pulling unit:

- MAN TGA 18.463 FLS
- Year of manufacture: 2003
- Leather seating
- Pre-heating
- Heated seats
- Retarder
- Airconditioning
- cruise control
- Alloy rims
